

STUDENTSUCCES

HU GEMEENSCHAP

I tested positive for corona

- I have health complaints that could indicate corona
- I have been in contact with someone infected with the corona virus
- I'm from a high risk area

CONTACT GGD

Follow the RIVM guidelines imposed by the GGD
Such as having yourself tested in case of complaints or going into home quarantine

IMPACT HU

Have you been in contact with (fellow) students, colleagues and/or in the HU buildings in the preceding days?

NO

YES

Report this to your study career coach or supervisor *
Where necessary, the normal disease protocol is followed

Does it affect your work/study?
For example because you have to stay at home for the time being
Report this to your study career coach or supervisor *

FURTHER

Your study career coach or manager reports this to the director of the institute, knowledge center or service

You discuss the possibilities for studying/working remotely with your study career coach or supervisor

If necessary, managers consult the protocols on corona.hu.nl

* Where reporting and registration takes place, this is treated confidentially. The Data Protection Officer monitors the registration in compliance with the AVG.
